

COURSE INFORMATION

I facilitate the Priest/ess of Brighde-Brigantia training in Glastonbury, but if you are not able to come to the 5 weekends in Glastonbury, I also offer an online course to become a Daughter/Son of Brighde's Flame.

Through this correspondence course you will develop a deep connection with Brighde by learning how the energy of Brighde both as Goddess and Saint Goddess can work in your everyday life.

You will be working with Her four Elements, Fire, Water, Earth and Air and will get a better understanding of how Her Wheel influences you as you will meet Her as Healing Maiden, Empowering Lover, Loving Mother and Wise old Crone.

By journeying through all eight seasons, you will experience Her energy through learning about Her myths and legends and by working through nine creative, meditative and other inspiring modules, which will be sent to you by email before each of the 8 seasons of the Wheel and before your dedication.

Our contact will be mostly through email and a designated Facebook page where you can meet and share with the other correspondence students of your year. This means that there will be a lot of self-study and assignments that you will have to be motivated and disciplined for to work through during the six weeks between each season. After relating back to me I will give you feedback on your assignments.

The course will start in February every year.

Costs are: £ 375 or £400 when paid in instalments (including all course material, visualisations/recordings, email feedback and online Q&A meetings).

MARION BRIGANTIA

I am a Priestess of Goddess, Priestess of Brighde-Brigantia and Priestess of Avalon.

Over the last 13 years I have trained priest/esses of Brighde-Brigantia in Glastonbury as well as through online/correspondence courses. The Priest/ess of Brighde-Brigantia training is now being taught in The Netherlands and Spain by Priestesses of Brighde, who've trained with me. I myself have educated priestesses of The Goddess in The Netherlands and co-organised the Dutch Goddess Conference. In Glastonbury I am co-organising the annual Goddess Conference since 2017 and Co-founder of the Temple of Avalon.

I am an experienced Spiritual teacher, workshop leader, Ceremonialist, Healer, Sacred Tours and Walks Guide, Interpersonal Mediator and Shamanic Drummer.

My journey with Goddess began over 15 years ago through visiting my first Goddess conference in Glastonbury, but I have been on a spiritual path as long as I can remember. I moved to Avalon in 2009, following my soul's longing and Brighde-Brigantia's call. Through my love for Brighde I wish to bring Goddess' love and light, wisdom, healing and abundance into the world and into people's lives.

BRIGHDE GODDESS AND SAINT

Brighde is the ancient Goddess of Brigit's Isles, where She is Bridie, Bride, Brid, Bree, Brue, Brigit, Brigid and Bridget, Lady of Fire, of the Sun and Moon, of the Springs and Wells, of the Four Directions, the Divine Midwife of the Soul, Bride of the Isles, Bride of the Fair Palms, Mary of the Gael.

As Goddess of the land, She gives Her name to the ancient land of Brigantia and to the tutelary (guardian) Goddess Britannia, the great sovereign Queen energy that lives in all of us.

Once Bride was well known in these lands as the Great Goddess, ruling the land and all the seasons, but now She is often seen as the Maiden, Bridie of Imbolc, of the new spring.

Brighde is however the whole Wheel, Her energy is tangible through the whole year in the land, in ourselves, in our lives. In every season, in every element, in every phase in our lives She inspires and transforms us.

To become a Daughter/Son of Brighde's Flame will teach you how to connect with Her in every part of your life and empower you on your path of becoming your true self.

You can follow this course up with a 'Bridge weekend' in Avalon, before starting the second-year circle training in Glastonbury to become Her Priestess or Priest!
